Dear Mayor Fife,

I hope this email finds you healthy and happy. It's been a while since I reached out to see how you're doing and I apologize for that. I hope you and your family are well.

I also just wanted to see if you needed anything regarding Vo-Toys.

Please let me know how you are and if I can provide you with anything.

Thank you and hope to hear from you soon.
Shereen

Subject: Response to the water leak at the Vo-Toys Site - Today

I just want to thank the Town of Harrison DPW/Water Department for their response to the water leak in Building C today. We are all very thankful and impressed with the speed of the response and the professionalism displayed. I am happy to report that the water released in the basement was contained and we did not have a release off of the

Site. We are lucky to be working with the professionals of the Town of Harrison during this challenging project and sincerely appreciate all of your assistance.
